I'm a lifelong learner and I'm excited to become a full-time Web Developer.

EDUCATION

The Coding Boot Camp at UCLA Extension, Web Development, 2017

Front and Back End Development. MERN Stack, MongoDB, Express.js, React.js, Node.js
HTML, CSS, JavaScript, jQuery, Bootstrap, Responsive Design, Heroku, User Authentication,
MySQL, Java, Firebase, Handlebars, Pug, SCSS

Statement of Accomplishment with Distinction, An Introduction to Interactive Programming in Python, 2014

Rice University, Houston, TX

Bachelor of Arts, Art 2006

California State University, Long Beach
President's List 2003/2004

APPLICATIONS BUILT

[Apartment Site](#), Role: Front End Developer

Developed the concept and design of a property management application. The application had uses for potential lessees, current tenants, and management. I used HTML, CSS, and Javascript along with Materialize, Node.js, and Handlebars.js.

[Squillo](#), 2017, Role: Front End Developer

Designed layout using the Materialize CSS framework, styled buttons, and designed assets such as button icons, and company logo, using Adobe Illustrator. Used jQuery for modal and smooth scrolling. Created an aesthetically pleasing design and color scheme.

RELEVANT EXPERIENCE

[Aehiinc.com](#), 2010, Sole Web Designer

Designed and built the entire company website for AEHI, Inc. Configured entire layout, navigation, and contact page. Created solutions for displaying large amounts of data without a database. Created homepage animation in Adobe Flash.

Graphic & Web Design, Freelance, 2009-2011

Designed logos, advertisements, and websites. Wrote contracts and sent invoices. Procured high quality and cost effective vendors to complete print jobs.

ADDITIONAL EXPERIENCE

Manager, Claremont Pacifica Apartments, 2011-present

I manage a 42 unit property, apply logic to define problems, collect data, draw conclusions,

resolve problems. Manage all maintenance operations, oversee outside vendors, and personally performing plumbing, electrical, appliance, and landscape repairs. Perform administrative and time management skills. Interpersonal skills with residents of the community.

Certified Welder / Plumber Apprentice, All Area Plumbing, Local 398, 2008

Arc and Gas welding. Acquired multiple certifications, and passed City of Los Angeles Structural Manual Process Code Examination

Graphic Printer / Calibre International, 2007

Set up vector artwork for large scale print runs, screen printing, and laser etching. Constructed jigs for printing equipment using vector designs I created in Adobe Illustrator. Pantone color matching. Performed maintenance on printing, cutting, a laser equipment.

Operations Agent / Liaison, SkyWest Airlines, 1998-2001 & 2006-2007

Managed and expedited the arrival and departures of over 100 flights per day. Communicated to various departments while operating heavy phones and radio conversation to (crew, ramp, customer service, fuelers, tower) about time sensitive informational changes to the flight schedules. Trusted to make correct decisions according to FAA standards. As a liaison I represented the employees of 4 airports at monthly meetings with corporate executives. I communicated changes in pay scale, benefits, equipment, and operations procedures through writing and public speaking.
